Labor Savings with Everbrite

One part coating-No Mixing, No waste - No Taping/masking necessary
Requires less re-coats = less time, lasts more than 2x as long = savings every year
Easy maintenance - Does not need to be stripped-simply clean, dry, and re-apply.

Other Everbrite Coatings features not found in other coatings

Self Annealing - can add multiple coats even years later
Self Leveling- No streaks or runs, can easily fix application errors
Durable Coatings- Reduces scratches, fingerprints and smudges
Low VOC Formulations available
